St. Louis, Oct. 6.-It devolved upon St. Louis, the tail-enders in the league pennant race, to finally and irrevocably head off the marvelous rush of the Chicago American league baseball team and drive the final spike in the latter's aspirations for the 1905 pennant when the coveted piece of bunting was almost within its grasp, and to give Philadelphia a clear title to the American league championship. Almost as remarkable as the now historic burst of speed displayed by Chicago on its last eastern trip was the received of form of the locals when they drove Dr. White. Mawager Jones premier pitcher, from the box, in the third iming and snowed the visiting team under an avalanche of hits and runs, practically clinching the game, which they finally wor by a score of 6 to 2. With two runs already counted in the fateful third, Manager Jones started to substitute Walsh for White. There was a hurried consultation and Jones gave White another opportunity. The next two St. Louis men to face the Chicago pitcher his safely. Tom Jones for a double and Kochler for a home run. Walsh was then sent in and neld the locals safely the remainder of the game, but the damage was done. Attendance, 1.30. Score: tle to the American league championship.
